

# Aravind S Narayan

aravindsnarayan@gmail.com | +91 8891441143 | Trivandrum, Kerala, India

## Summary

I'm Aravind, a DevOps engineer on a mission to eliminate the friction between great ideas and great software. With three years of hands-on experience in Linux, CI/CD automation, and Infrastructure as Code etc., I help organizations build the reliable, secure foundations that let innovation thrive. When systems run smoothly, teams can focus on what matters most - creating amazing products.

## Education

### College of Engineering Trivandrum (CET)

B.Tech · Electrical and Electronics Engineering · Trivandrum

Dec 2014 - Dec 2018

GPA - 7.2/10

Loved working on projects that combined programming logic with hardware systems.

### Kendriya Vidyalaya

12th · CBSE · Pattom, Trivandrum

Dec 2012 - Dec 2013

91%

Computer Science student with strong academics and extracurricular activities.

## Experience

### PIT Solutions Pvt Ltd

Senior DevOps Engineer · Full-time

Nov 2020 - Present

Technopark, Trivandrum, India

Promoted twice within 4 years: Associate DevOps Engineer > DevOps Engineer > Senior DevOps Engineer

- Collaborate with development teams to manage multiple release cycles across dev, UAT, and production environments with 99% deployment success rate.
- Orchestrate containerized applications using Kubernetes and Docker, enhancing scalability and deployment efficiency.
- Leverage Ansible and Terraform for end-to-end infrastructure automation across environments.
- Develop optimized automation scripts and CI/CD pipelines, reducing manual tasks and deployment errors.
- Implement comprehensive monitoring systems using Prometheus and Grafana, achieving reduction in system downtimes.
- Streamline Git workflows and Linux system administration, boosting operational efficiency.
- Diagnose and resolve technical issues through root cause analysis, improving team productivity and system reliability.

## Certifications

### LE-1: Linux Essentials | [Certificate Link](#)

Linux Professional Institute · CRED12345

Apr 2021 - Present
